Dear Friend,

Over the past 50 years, Boys & Girls Club of Greater Billerica has become an integral part of our community and as the largest afterschool provider in our area, we proudly acknowledge our unique responsibility to meet our young people where they are and provide them with the tools they need to not only succeed, but thrive. We are committed to creating a safe, inclusive, and inspiring environment for young individuals to learn & grow. We believe in every child's potential, and are here to provide the tools, guidance, and mentorship they need to unlock it.

The impact we have and the opportunities we provide our youth would not be possible without the generous support of community partners like you. Enclosed is the 2025 Hall of Fame Dinner sponsorship packet, which we hope you might kindly consider supporting. All proceeds from the event will directly support the Club's afterschool programs and will ensure that our doors are always open to those who need us most!

Our Hall of Fame Dinner is a leading fundraiser for the Club and all proceeds from the event directly support our afterschool programming. As part of this event, the Club will recognize three individuals who have had a positive impact on the Club. Additionally, we will celebrate our 2025 Youth of the Year and help share her story of success with the community.

As we prepare for this year's dinner, we invite you to join us for a wonderful event showcasing our incredible kids and celebrating those who help make our work possible!

On behalf of the youth and families we are proud to serve, thank you for your support! We look forward to celebrating with you on November 13th!

Best,

The Hall of Fame Dinner Committee
