Dear Friend,

Over the past 50 years, Boys & Girls Club of Greater Billerica has become an integral part of our community. As the largest afterschool provider in our area, we proudly acknowledge our unique responsibility to meet our young people where they are and provide them with the opportunities they need to not only succeed, but thrive. We are committed to creating a safe, inclusive, and inspiring environment for youth and teens to learn & grow. We believe in every child's potential, and are here to provide the tools, guidance, and mentorship they need to unlock it.

The impact we have and the opportunities we provide would not be possible without the generous support of community partners like you. Enclosed is the 2026 Hall of Fame Dinner sponsorship packet, which we hope you might kindly consider supporting. All proceeds from the event directly support the Club's afterschool programs and ensure that our doors are always open to those who need us most!

As part of this event, the Club recognizes individuals who have had a positive impact on the Club and/or community. Additionally, we will celebrate our 2026 Youth of the Year and share her story of success with the community.

As we prepare for this year's dinner, we invite you to join us for a wonderful event showcasing our incredible young people and celebrating those who help make our work possible!

On behalf of the youth and families we are proud to serve, thank you for your support! We look forward to celebrating with you on November 12th!

Best,

The Hall of Fame Dinner Committee
