Dear Club Families,

We are excited to share an important update regarding Club memberships beginning with the upcoming program year starting September 2026.

Boys & Girls Club of Greater Billerica will be transitioning from anniversary-date memberships to program-year memberships. This means that all memberships will now follow the same annual Club calendar rather than renewing individually based on each member's join date.

Making this change helps the Club in several important ways:

- It creates a more consistent and streamlined membership process for families and staff.
- It allows us to better plan programs, staffing, budgeting, and resources for the entire year.
- It ensures all members have equal access to the full range of seasonal and annual Club opportunities.
- It simplifies communication regarding renewals, registration, and program participation.

Most importantly, this change allows us to spend less time managing multiple renewal cycles and more time focusing on providing high-quality programs, experiences, and support for our youth.

All current memberships, regardless of expiration date, will no longer be valid as of August 18, 2026 and returning members will be asked to renew for the 2026-2027 program year in late-August. For those who have memberships expiring in the coming months and will need an active membership for summer aquatics programs, a free transitional membership is on the MyClubHub Parent Portal for registration. This transitional membership will expire on August 18, 2026. A reminder that a Club membership is built into the registrations for Fun Club Childcare and Summer Camp for the length of these programs and this change does not affect these programs.

To help with this transition, families who purchased a membership between January 1, 2026 and June 3, 2026 will receive a non-refundable credit to their account equal to their last membership fee. These credits will be applied to accounts in mid-August to be used when memberships open for renewal.

We appreciate your understanding and continued support as we make improvements that strengthen the Club experience for everyone. Please keep an eye on our website and for a follow up email for information regarding membership enrollment for the 2026-2027 program year, you should expect that in August!

Thank you for being a valued part of the Boys & Girls Club community.

Sincerely,

A handwritten signature in black ink, appearing to read 'Meg Gambale'.
